**BIG FASHION SHOW; LOTS OF SKI ENTHUSIASM; THE LATEST IN EQUIPMENT- AT THE VESTAL AMERICAN LEGION, NOV. 9th**

Fred Hottenstein and chairman Willie Haruk have gone all out to help you Think Snow and build up some enthusiasm for the "BIG SEASON". Fred and Willie and their committee along with the help of Southern Tier Ski Shop, Bergers, and Barry's Ski Shop have put together an exciting and interesting show for our up-coming general meeting.

The fashion show will feature our very own TCSC models, showing the latest in togs for the slopes. In addition, equipment of all kinds will be shown and there will be people to answer any questions you may have concerning the equipment, etc. Innsbruck and hopefully other ski areas will be represented in case you have any questions for them.

With background music and scenery for effect, it should prove an entertaining and interesting evening. Don't miss the "BIG SHOW" at the Nov. 9th meeting!

### DANCE - BEER BLAST AT INNSBRUCK NOV. 18

With the memories of a fantastic fall dance still aglow, it is time to start planning for another gala affair.

Here is a chance to enjoy our local ski area before the first snow falls.

Lots of fun is always assured when "THE IDS" are around to furnish music to keep the crowd--- "jumping!"

All this for only a dollar for non-members and \$ .50 for members. Come dressed for fun and let's all HAVE A BALL!

In case you are one of the few who have never been to Innsbruck, just head south on Pennsylvania Ave. from the Vestal Pkwy, at the west-edge of Binghamton and wind out south until you see the Ski sign!

#### DON'T COME LATE

Due to the length of the fashion show the Nov. 9th meeting will begin at 8:00 instead of 8:30.

## TWO CAR TRAINS ENROUTE TO STOWE

For those fortunate and far-sighted individuals who gave up their souls to the office this summer..... **HERE IS YOUR REWARD!** Two -one week- ski weeks planned at the "BIG ONE," Stowe, Vermont.

The "Christmas Week Special" from Dec. 26 - Jan. 2 and the "New Year's Winter Holiday Week" from Jan 2 - Jan. 8.

The first week's accommodations have been arranged for eight lucky people at the Stoweflake Inn...five minutes away from the chairlifts. The cost is from \$10.-\$14. a day, depending on your personal desires. **YOU** must make your final confirmation by Nov. 9th. at the general membership meeting.

A special week rate of \$11. has been confirmed for the second trip. Accommodations will again be at the "Stoweflake." A five day ski ticket may be purchased which includes five-two hour lessons and skiing at all the Stowe lifts. Confirmation for this trip must be made by Nov. 20th.

Joerg Braun is the man in charge. Contact him for all those "special details" at 748-9102 or at the next membership meeting. If you don't know who he is, listen for the authentic Deutsche Akzent.

## DON'T LET THEM LEAVE YOU BEHIND!

## WITCHES' AND GOBLINS'

## DELIGHT

The bewitching hour began at the Johnson City American Legion on October 27, 1966. A few days early perhaps, but the

atmosphere was enticing enough to attract even the most "wallflowerest" goblin. Along with a well planned program, there was the usual witches' brew available for anyone who desired it.

The 400 people who attended started the season off with great vigor! The attendance and support of our first big dance proves the point of this ski club. Skiing isn't available at the moment in this area, but let's have a ball until the snow starts!

A hand for the Social Committee members who fought all the natural elements to gather all the corn stalks, set them up and make all those adorable little pumpkins. Here they are: Joerg Braun, Joyce Vaughn, Rita Capeaga, Anne Fron, John Pinter, Deana Farrington, Roger Pearce, Dorlene Cooper, Willie Mayes, Velma Klenotich, Roy McKinney and last but, not least, the Chairman, Len Chromey.

For some reason, a slope  
looks this way  
from its foot.

but this way from the summit.

Arrangements have been made via bus in a direct route to Stowe. Accommodations are at the luxurious Howard Johnson's. The trip offers you three wonderful days of skiing in the fresh December air. Your lodging will be Modified American Plan (4 to a room) which is an unusual event on ski trips.

Cost of this exciting trip is only \$53, which will include all transportation to and from STOWE, three nights of lodging, and two hearty meals each day. A deposit of \$20. is payable now. HURRY! Don't let them leave you behind. It is a great

opportunity to be part of the first TGSC SKI TRIP.
